

ILLUSTRATIONS // BY SACHIN TENG

Already a master of editorial illustration - we enjoyed watching some of Sachin's incredibly artworked collection of gifs.

REEL 2018 // JIN

Adoringly cute work from animator, Jin, in their latest reel that features penguins, tigers, dolphins and giraffes...(the list goes on). Some great animal movement captured with soft pastel brush strokes. What's not to love?!

TOYS 'R' US REBRAND // BY LIPPINCOTT

A very interesting read alongside some great visuals in this article we found about the re-brand that never came to be for the well-known retail giant.

YOU LOSE // BY ERAN MENDEL

We stumbled across these whimsical gifs by Eran. Simple character design, great timing and plenty of fun!
