

## ILLUSTRATIONS // CAPUCHA LA PUCHA

Capucha has some really stand-out work. The use of vibrant colours, soft lighting and intricate textures create a different and very graphic style to each piece.

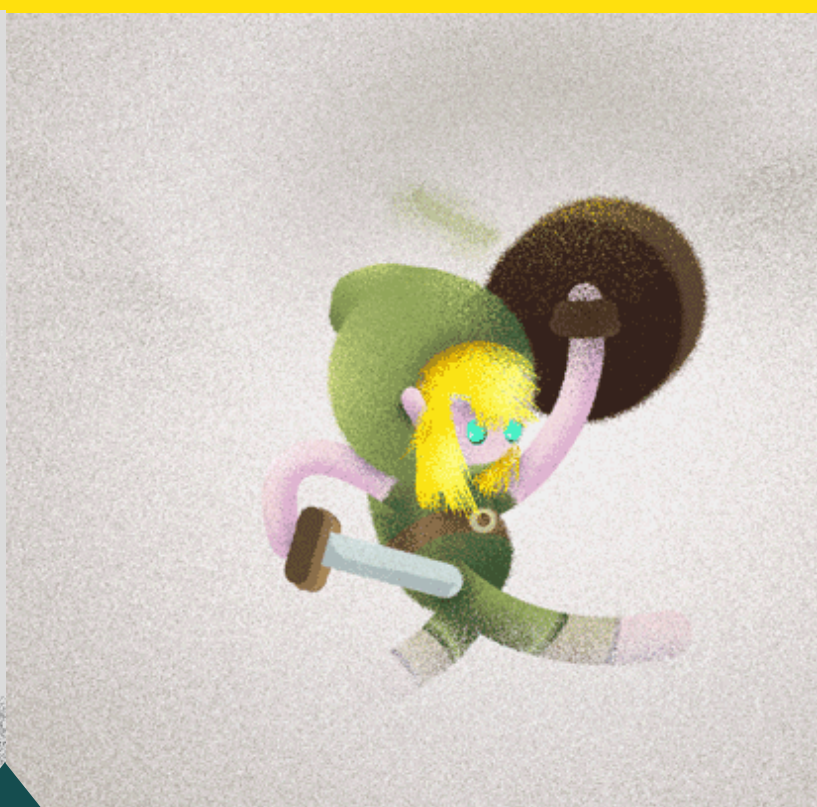

## HOLD // MATT WILSON

'Hold' is a fun film about keyframes, an animation tool that is essential to our work. So check out what powers the 'hold' and other keyframes wield in Matt's video!

## BEYOND THE RAYS // MOSTAFA ABD ELSATTAR

Mostafa is a self-taught graphic designer who's work has caught our eye a few times now, with his digital art style, which features gorgeous glows and multiple colour gradients.

## GIFS // ORI TOOR

These weird and wonderful gifs by Ori really are a mood booster. Playful and full of quirky motion!
